Dear  Mr. North:

Re: Notice of Intention to Commence Small Mining Operations, Henefer Stockpile Project, S/043/011, Summit County, Utah.

Thank you for your Notice of Intention to Commence Small Mining Operations, received by the Division on June 9, 1989. The application for the proposed clay stockpile operation located in Sections 33 and 34, T4N, R4E, Summit County, Utah is complete and no additional information is required at this time. This notice is valid for the removal of the existing stockpiled material only.

For your reference, I have enclosed copies of our summarized rules regarding "Operation and Reclamation Practices", and the statutory penalty for failure to reclaim a minesite (attachments SMO-1 and SMO-2).

Thank you for your cooperation. When in the area, a member of the Division staff will examine the site. Best wishes with your mining operation.

Sincerely,

Scott Johnson
Reclamation Engineer
